Yahoo! would like to invite YOU! to join us for an Information Session with some Yahoo! engineers & recruiters.

This event will allow students to learn about the innovative technology Yahoo! is working on, the opportunity to network with Yahoo! engineers, and learn how you can apply to our current full-time, New College Grad openings!

We are looking for students that meet the following criteria for our Full-time New College Grad positions!

- Interested in Software engineering (e.g. object oriented concepts), Data structures/Algorithms, C++/Java/PHP/Object Oriented Programming
- Have prior internship/work experience and or extracurricular projects that demonstrate a passion for software technology
- Demonstrated strong leadership and communication skills
- 3.3+ GPA
